TRADES ASSEMBLY.

An Interesting and Exciting Meeting Yesterday.

COMING LABOR DAY CELEBRATION

Considered, and the Line of March Outlined—The Amusement Programme an Extensive and Interesting One—New Delegates Obligated—An Amendment to the Constitution Adopted—Other Matters.

The Ohio Valley Trades and Labor Assembly met in regular semi-monthly session yesterday afternoon at O. V. T. & L. A. hall, President Grogan in the chair, and "Old Reliable" Tom Saulsbury at the secretary's desk.

Now delegates were obligated as follows:

Team Owners' association—A. B. Hill, R. L. Wright, John L. Shriver.

Local union No. 280, N. P. U.—William Borg, Harry Hager, W. J. Conaway.

Local union No. 53, moulders—William C. Leasure, J. H. Burt.

Local union No. 23—Louis Nolte, William Bedericks, Alex Bonanan.

Local union No. 14—Joseph Faust.

Local union No. 5502—Henry Schloesser.

The miners' delegates reported that the Monongahela Coal company is "presenting a stronger fight than ever."

The labor day celebration general committee reported satisfactory progress in regard to the celebration and recommended that a sub-committee be instructed to visit Moundsville, Benwood, Bellaire and Bridgeport to arouse more interest in the coming celebration. The request was granted, and the chair appointed Messrs. Norington and Burt as the committee.

It was decided the local labor organizations would attend the Bellaire labor demonstration, if the Ohio people will come up to the Wheeling demonstration.

Mr. S. H. Coffman reported the miners of Bridgeport would have nothing to do with the labor day celebration as a body for several reasons, the main one being that on account of the miners building a hall, economy was necessary. They would, however, take part individually.

GENERAL ORDERS No. 1.

In pursuance of the authority vested in me as chief marshal of the labor day parade, the following appointments have been made:

Chief of Staff—Tom Minkeweyer.

Aides to Chief Marshal—Geo. Clifton, Thomas Fox, Charles Stein, H. A. Foster, Gabriel Jackson, George Coleman.

Division Marshals—First, John Norington; second, Ed Costello; third, James Sims; fourth, George W. Abrams.

The divisions will be composed as follows:

First division—Cigar makers, glassworkers, carpenters, brewers, electrical workers, plumbers.

Second division—Coal miners, ironworkers, bricklayers, plasterers, hodcarriers.

Third division—Painters, potters, jewelry clerks, tobacco workers, wagon workers, butchers, horse collar workers, printers.

Fourth division—Teamsters, and all other organizations in wagons or mounted, and Trades Display.

The divisions will form as follows: First, south on Chapline street, right on Fourteenth;

second, east on Fourteenth, right on Chapline;

third, south on Chapline, right on Fourteenth;

fourth, east on Fourteenth, right on Chapline.

Marshals and aides will report to chief marshal at corner of Twelfth and Chapline streets, at 9:30 a. m. on day of parade.

Each division marshal will appoint one aide for his division.

The following is recommended as the line of parade: Down Twelfth to Main, to Twenty-fourth, to Chapline, to Twentieth, to Market, to Tenth, to Main, to State Fair grounds, via steel bridge.

There was considerable difference of opinion regarding the line of parade, several delegates desiring that it go down on the South side as far as Thirtieth street. The Bloch tobacco workers made it known to the assembly that they would not enter the parade unless it was decided to go to Thirtieth.

Other organizations would not go if the parade was extended to Thirtieth.

There was a long continued and at times excited discussion taken part in by nearly every member present.

Finally, when the vote was taken, it was decided not to go below Twenty-fourth street; the vote was 28 to 13.

The amusement programme for labor day is quite an extensive and interesting one. The prizes will aggregate \$300 for the races which include a bicycle race, half-mile foot race and other events. The racing will commence at 2 o'clock.

First race—Mile trot, three heats in five; purse \$75, divided as follows: First \$40, second \$25, third \$10. Five to fill.

Second race—Pacing, mile heats, three in five; purse \$75.

Third race—Running, for branded ponies; mile heats, two in five; purse \$75.

Fourth race—Running, mile heats; two in three; purse \$75.

Bicycle race—One mile, prizes, two handsomely upholstered chairs, value \$30; professional riders barred.

Fifth race—Half mile foot race, open to all members of labor organizations connected with the assembly. Purse \$25.

The entries for the horse races will be confined to Ohio county and Belmont county, regular track horses barred. Entries will close August 25 at 9 o'clock p. m., and may be made at William Gruber's cigar store under O. V. T. L. A. hall.

Secretary Charles Ryan, of Horse Collar Makers' Union No. 27, notified the assembly of the disbandment of the union. Delegate Albert Burkle's name was dropped from the membership roll of the assembly, as requested.

Mr. Tighe's amendment to the constitution, providing for a committee on appeals, which was first presented at the last meeting, came up again. There was considerable discussion, but on a vote the amendment was carried.

President Michael Grogan read an interesting paper on trades assembly matters, particularly boycotts. He counseled either an abandonment of radicalism inside the assembly hall, or an end of indifference outside.

The labor day general committee has been called to meet at Ohio Valley Trades and Labor Assembly hall Wednesday evening, when important business connected with the celebration will be up for action.

SUNSHINE comes, no matter how dark the clouds are, when the woman who is borne down by woman's troubles turns to Dr. Pierce's Favorite Prescription. If her life is made gloomy by the chronic weaknesses, delicate derangements, and painful disorders that afflict her sex, they are completely cured. If she is overworked, nervous, or "run-down," she has new life and strength.

"Favorite Prescription" is a powerful, invigorating tonic and a soothing and strengthening nerve, purely vegetable, perfectly harmless. It regulates and promotes all the proper functions of womanhood, improves digestion, enriches the blood, dispels aches and pains, brings refreshing sleep, and restores health and vigor. For every "female complaint" and disturbance, it is the only remedy so sure and unflinching that it can be guaranteed.

If it doesn't benefit or cure, you have your money back.
